### NEW AND RETURNING STUDENTS FEES

The following tuition fees are applicable for both new enrollees and returning students who are continuing their education for a consecutive academic year. A non-refundable application and capital fee are charged upon students' admission for their first school year at the American English Academy (*no application fee is charged for children whose siblings are already studying at AEA*). Wait pool registration is charged with an additional fee of 55 EUR.

The AEA tuition fee is all-inclusive and no additional charges are made in relation to the educational process. The capital fee is dedicated to the continuous development of the school facilities. All fees listed below are VAT inclusive.

Individual payment plan is applied. A non-refundable application fee of 450 EUR is charged additionally for all new students (*siblings of AEA students excluded*). A capital fee of 1 750 EUR is charged upon the enrollment of each new student.
